All numbers shown are rounded

## JV-C original

JV-C オリジナル

JV-Campus aims to become a one-stop station for resources and procedures necessary for studying or working in Japan.

Experience the courses offered by the university of your choice before you leave your home country.

Collect helpful resources and information on universities to prepare for life in Japan.

Utilize language courses and support in finding employment when they graduate.

## One-stop station for study and work in Japan

JV-Campus uses Moodle, a widely accepted LMS worldwide.

Communication area ..... Cheering Message from Japan

#jvcampus / SNS ..... Facebook Instagram

Micro-credentialing & Digital badges (Starting in 2025)
